

On the 23<sup>rd</sup> January 2010, Liz and I were invited by Mr Frank Nichol to the Freemasons Hall on London Road in Leicester, on behalf of the Leicester & Rutland Masonic Charities Association who had kindly donated £1000.00 to Mesothelioma UK Charitable Trust in support of Mesothelioma UK.

We were met by a wonderful group of people and we spent a delightful morning learning about all the wonderful care and support the Freemasons provide, not only locally in our community to other worthy charitable causes but also nationally and worldwide. It was a very humbling experience.

Mr David Hagger Deputy Provincial Grand Master kindly presented the cheque to Liz and she was asked to say a few words about Mesothelioma UK and the work we do both on a local and national level.
