

Last December at the Rothwell Town Football club, Kev Such and Karen Ford from the 'Cream Cracker Soul Club', hosted a wonderful 'Charity Christmas Northern Soul Dance Night', they worked together with family and friends to get a wooden dance floor set up and of course the bar, which served very cheap drinks.

Kev worked through the night with several other DJ's, Marky Mole, Smiggy, Jem Britton, Tony Ward, Ian J, and Nidge to bring together all those people who love dancing to the reminiscent sounds of Northern Soul and RnB music.

The evening was to raise money in memory of their dear friend Tracey Carpenter who died after being diagnosed with mesothelioma on 3rd November 2009.

The evening was a huge success and everyone partied until the early hours of Sunday morning. Kev and Karen worked so hard to make this evening a great success and every penny taken was donated to Mesothelioma UK Charitable Trust" and they raised £930.00.

Mesothelioma UK Charitable Trust would like to thank Kev, Karen, and all those who took part and supported the evening.
