

Murder Mystery Event

The Rotary Club of Ebbsfleet and Northfleet in Kent held a murder mystery event on 17 June to raise funds for Mesothelioma UK Charitable Trust, and as a tribute to Graham Butler, an ex-Rotarian and past President of the club. Graham sadly passed away last Christmas after a long and courageous fight against mesothelioma.

The murder was acted out by a professional company before and between the courses of a lovely meal (thanks to the Manor Hotel, Singlewell, Gravesend). The actors had us fooled for a while but eventually the cleverest table managed to work out "who dun it!"

A good evening was had by all and we managed to raise just under £1000.

Dennis Reavell, President, Ebbsfleet and Northfleet Rotary Club

Written by Annie Wood, partner of Graham.
