Supporting People With This Asbestos Cancer

## Feedback form for Healthcare Professionals – Mesothelioma Care Passport (MCP)

Thank you for taking the time to fill out this feedback form. Your evaluation and comments will help us to develop this new resource.

Please answer the following questions:

What is your profession?	
What clinical setting do you see mesothelioma patients in?	

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
There was enough information provided on how to use the passport					
It was easy to understand what the passport was for					
It was easy to explain to patients					
It was helpful for me as a HCP					
It is helpful for my patients					
It was easy to get support on how to use the passport if I needed I					
I intend to continue giving it to patients					

Any other comments?
